### FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

### NEED TO IMPROVE FINANCIAL REPORTING PROCESS

The Illinois Conservation Foundation (Foundation) does not have sufficient internal controls over the financial reporting process.

### Reporting errors

Several errors were identified during the audit of the Foundation's financial statements. The Foundation's financial statements were adjusted for the following reporting errors:

### Adjusting entries not made

• The Foundation failed to make numerous adjusting entries to present the financial statements in accordance with Generally Accepted Accounting Principles (GAAP).

## \$12,342 adjustment to correct the realized gain and unrealized gain balances

• The Foundation recorded unrealized gains as realized gains in error. A net audit adjustment of \$12,342 was recorded to correct the balances in the realized gain and unrealized gain accounts. (Finding 1, pages 11-12) This finding was first reported in 2011.

We recommended the Foundation implement additional internal control procedures to ensure financial statements are prepared in accordance with GAAP.

#### Management agrees with auditors

Foundation management accepted our recommendation. (For the previous Foundation response, see Digest Footnote #1.)

### FAILURE TO PROPERLY NOTIFY DONORS

The Foundation did not comply with provisions of the Illinois Conservation Foundation Act (Act).

## Donors not notified that Foundation is not subject to Public Funds Investment Act

During testing of donation thank-you letters, we noted 25 of 25 (100%) donation letters did not include required language notifying the donors that the Foundation is not subject to the provisions of the Public Funds Investment Act. (Finding 2, page 13)

We recommended the Foundation comply with the requirements of the Act and ensure all donors providing gifts, grants, or bequests to the Foundation receive written notice that the Foundation is not subject to the provisions of the Public Funds Investment Act.

#### Management agrees with auditors

Foundation management accepted our recommendation.
