### INDEPENDENT ACCOUNTANT'S REPORT ON STATE COMPLIANCE, ON INTERNAL CONTROL OVER COMPLIANCE, AND ON SUPPLEMENTARY INFORMATION FOR STATE COMPLIANCE PURPOSES

Honorable William G. Holland Auditor General State of Illinois

### **Compliance**

As Special Assistant Auditors for the Auditor General, we have examined the State of Illinois, General Assembly – Senate's compliance with the requirements listed below, as more fully described in the Audit Guide for Financial Audits and Compliance Attestation Engagements of Illinois State Agencies (*Audit Guide*) as adopted by the Auditor General, during the two years ended June 30, 2013. The management of the State of Illinois, General Assembly – Senate is responsible for compliance with these requirements. Our responsibility is to express an opinion on the State of Illinois, General Assembly – Senate's compliance based on our examination.

- A. The State of Illinois, General Assembly Senate has obligated, expended, received, and used public funds of the State in accordance with the purpose for which such funds have been appropriated or otherwise authorized by law.
- B. The State of Illinois, General Assembly Senate has obligated, expended, received, and used public funds of the State in accordance with any limitations, restrictions, conditions or mandatory directions imposed by law upon such obligation, expenditure, receipt or use
- C. The State of Illinois, General Assembly Senate has complied, in all material respects, with applicable laws and regulations, including the State uniform accounting system, in its financial and fiscal operations.
- D. State revenues and receipts collected by the State of Illinois, General Assembly Senate are in accordance with applicable laws and regulations and the accounting and recordkeeping of such revenues and receipts is fair, accurate and in accordance with law.
- E. Money or negotiable securities or similar assets handled by the State of Illinois, General Assembly Senate on behalf of the State or held in trust by the State of Illinois, General Assembly Senate have been properly and legally administered and the accounting and recordkeeping relating thereto is proper, accurate, and in accordance with law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the Illinois State Auditing Act (Act); and the *Audit Guide* as adopted by the Auditor General pursuant to the Act; and, accordingly, included examining, on a test basis, evidence about the State of Illinois, General Assembly – Senate's compliance with those requirements listed in the first paragraph of this report and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the State of Illinois, General Assembly – Senate's compliance with specified requirements.

In our opinion, the State of Illinois, General Assembly – Senate complied, in all material respects, with the compliance requirements listed in the first paragraph of this report during the two years ended June 30, 2013.

#### Internal Control

Management of the State of Illinois, General Assembly – Senate is responsible for establishing and maintaining effective internal control over compliance with the requirements listed in the first paragraph of this report. In planning and performing our examination, we considered the State of Illinois, General Assembly – Senate's internal control over compliance with the requirements listed in the first paragraph of this report to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the *Audit Guide*, issued by the Illinois Office of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of the State of Illinois, General Assembly – Senate's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the State of Illinois, General Assembly – Senate's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the requirements listed in the first paragraph of this report on a timely basis. A material weakness in an entity's internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As required by the *Audit Guide*, immaterial findings excluded from this report have been reported in a separate letter to your office.

### Supplementary Information for State Compliance Purposes

The accompanying supplementary information for the years ended June 30, 2013 and June 30, 2012 in schedules 1 through 11 and the Analysis of Operations section is presented for purposes of additional analysis. However, we do not express an opinion on the supplementary information.
