Currently: Mr. Eric Zarnikow

FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

DEBT COVENANT VIOLATION

Noncompliance with debt covenants

The Commission - IDAPP was not in compliance with two of the covenants relating to the agency's revolving line of credit agreement.

Coverage condition and default ratios were not maintained

During our audits of the fiscal year 2009 through 2016 financial statements, we noted that IDAPP was in violation of one or more debt covenants related to the agency's revolving credit (loan) agreement. In addition, the facility matured on July 27, 2010 and has not been repaid. Per the agreement, the minimum required coverage condition ratio is 104%. We reviewed monthly reports and noted that 9 months fell under this ratio, ranging from 103.24% to 103.91%. Also per the agreement, the default ratio is set at a maximum of 6.25%. We reviewed monthly reports and noted 9 months fell above this ratio, ranging from 8.04% to 11.02%.

Lender has right to call loan but has not communicated any intent to exercise remedies available As a result of the debt covenant violation and the maturity of the facility, the bank has certain remedies available to it under the terms of the loan agreement, principal of which would be rights to call the loan and take possession of the collateral (the underlying student loan portfolio). The bank has been made aware of the event of default and the maturity of the loan and has not communicated to IDAPP any intent to exercise the remedies available to it under the terms of the loan agreement. The balance of the line of credit with the bank was \$158,256,827 at June 30, 2016.

According to Commission management, the coverage condition and default issues are due to the poor performance of the portfolio. The portfolio continues to experience a high level of delinquent accounts. The line of credit has not been refinanced because of the conditions in the private loan credit market. (Finding 1, page 149) **This finding was first reported in 2009.**

Commission agrees with auditors

Commission officials accepted our recommendation to continue to monitor the loan covenant violations and continue seeking remedies from the lender involved. (For the previous Commission response, see Digest Footnote #1.)

AUDITOR'S OPINION

Our auditors stated the financial statements of the Commission as of June 30, 2016 and for the year then ended are fairly presented in all material respects. Auditors included a paragraph emphasizing that the Program has a deficit of \$215 million as of June 30, 2016.
