#### FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

### **DEBT COVENANT VIOLATION**

| Noncompliance with debt covenants  | The Illinois Student Assistance Commission (Commission) –<br>Illinois Designated Account Purchase Program (IDAPP) was<br>not in compliance with a covenant relating to the agency's<br>revolving line of credit agreement.  |
|--|---|
| Default ratios were not maintained   | During our audit of the fiscal year 2017 financial statements, we noted that IDAPP was in violation of a debt covenant related to the agency's revolving credit (loan) agreement. In addition, the facility matured on July 27, 2010 and has not been repaid. Per the agreement, the default ratio is set at a maximum three-month rolling average of 5.0% or a maximum of 6.25% for any settlement period. We reviewed monthly reports and noted 8 months fell above these ratios, ranging from 5.54% to 7.88% for the three-month average and 6.48% to 9.73% for the settlement period.                   |
| Lender has right to call loan but has<br>not communicated any intent to<br>exercise remedies available | As a result of the debt covenant violation and the maturity of the facility, the bank has certain remedies available to it under the terms of the loan agreement, principal of which would be rights to call the loan and take possession of the collateral (the underlying student loan portfolio). The bank has been made aware of the default ratio issues and the maturity of the loan and has not communicated to IDAPP any intent to exercise the remedies available to it under the terms of the loan agreement. The balance of the line of credit with the bank was \$135,456,827 at June 30, 2017. |
|  | According to Commission management, the default ratio<br>issues are due to the poor performance of the portfolio. The<br>portfolio continues to experience a high level of delinquent<br>accounts. The line of credit has not been refinanced because of<br>the conditions in the private loan credit market. (Finding 1,<br>page 160) <b>This finding was first reported in 2009.</b>  |
|  | We recommended the IDAPP continue to monitor the loan<br>covenant violations and continue seeking remedies from the<br>lender involved.   |
| Commission agreed with auditors  | Commission officials accepted our recommendation to continue to monitor the loan covenant violations and continue seeking remedies from the lender involved. ( <i>For the previous Commission response, see Digest Footnote #1.</i> )   |
