### REGIONAL SUPERINTENDENT

During Audit Period: Honorable Cheryl Reifsteck

Currently: Honorable Cheryl Reifsteck

### FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

### CONTROLS OVER FINANCIAL STATEMENT PREPARATION

The Regional Office of Education #54 did not have sufficient internal controls over the financial reporting process.

The Regional Office of Education No. 54 (ROE) did not have sufficient internal controls over the financial reporting process. The ROE maintained its accounting records on the cash basis of accounting during the fiscal year and posted year-end accrual entries for financial statement purposes. While the ROE maintained controls over the processing of most accounting transactions, there were not sufficient controls over the preparation of the generally accepted accounting principles (GAAP) based financial statements for management or employees in the normal course of performing their assigned functions to prevent or detect financial statement misstatements and disclosure omissions in a timely manner.

The Regional Office is required to maintain a system of controls over the preparation of financial statements in accordance with GAAP. The ROE's internal controls over GAAP financial reporting should include adequately trained personnel with the knowledge, skills, and experience to prepare GAAP based financial statements and include all disclosures as required by the Governmental Accounting Standards Board (GASB).

During review of the ROE's financial information prepared by the ROE, auditors noted the ROE's financial information required material adjusting entries in order to present its financial statements in accordance with GAAP.

According to Regional Office management, they did not have adequate funding to hire and/or train accounting personnel in order to comply with these requirements. (Finding 17-001, pages 10-11) **This finding was first reported in 2010.** 

The auditors recommended that as part of internal control over the preparation of financial statements, the ROE should implement comprehensive preparation procedures to ensure that the financial statements are complete and accurate. These procedures should be performed by a properly trained individual(s) possessing a thorough understanding of applicable GAAP, GASB pronouncements, and knowledge of the ROE's activities and operations.

ROE Response: The Regional Office of Education #54 accepts the degree of risk associated with this condition because the additional expense to seek outside accounting expertise to prepare and/or review financial statements would take away from the funds available to provide educational services for the schools in the region.

Prior Year ROE Response: The Regional Office of Education #54 accepts the degree of risk associated with this condition because the additional expense to seek outside accounting expertise to prepare and/or review financial statements would take away from the funds available to provide educational services for the schools in the region.

### **AUDITORS' OPINION**

Our auditors state the Regional Office of Education #54's financial statements as of June 30, 2017 are fairly presented in all material respects.

This financial report was conducted by the firm of West & Company, LLC.
