**FINANCIAL STATEMENT REPORT SUMMARY**

The audit of the accompanying basic financial statements of the Whiteside County Regional Office of Education No. 55 was performed by Winkel, Parker & Foster, CPA PC.

Based on their audit, the auditors expressed an unqualified opinion on the Whiteside County Regional Office of Education No. 55's basic financial statements.

## INDEPENDENT AUDITORS' REPORT

Honorable William G. Holland  
Auditor General  
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Whiteside County Regional Office of Education No. 55, as of and for the year ended June 30, 2011, which collectively comprise the Whiteside County Regional Office of Education No. 55's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Whiteside County Regional Office of Education No. 55's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Whiteside County Regional Office of Education No. 55, as of June 30, 2011, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Whiteside County Regional Office of Education No. 55 adopted GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* during the year ended June 30, 2011. The statement changed the classifications of governmental fund balances and clarified the definitions of existing fund types. The adoption of this statement had no effect on the any of the Whiteside County Regional Office of Education No. 55's governmental funds' assets or liabilities nor was there any effect to the total amount of any of the Whiteside County Regional Office of Education No. 55's governmental fund balances as of and for the year ended June 30, 2011.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 1, 2012 on our consideration of Whiteside County Regional Office of Education No. 55's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Management's Discussion and Analysis and Illinois Municipal Retirement Fund Schedule of Funding Progress on pages 15 through 28 and 65 are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Whiteside County Regional Office of Education No. 55's basic financial statements. The accompanying supplementary information, such as the combining and individual nonmajor fund financial statements, budgetary comparison schedules and the Schedule of Disbursements to School District Treasurers and Other Entities are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual nonmajor fund financial statements, budgetary comparison schedules, and the Schedule of Disbursements to School District Treasurers and Other Entities have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable William G. Holland  
Auditor General  
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Whiteside County Regional Office of Education No. 55, as of and for the year ended June 30, 2011, which collectively comprise the Whiteside County Regional Office of Education No. 55's basic financial statements and have issued our report thereon dated May 1, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

Management of the Whiteside County Regional Office of Education No. 55 is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Whiteside County Regional Office of Education No. 55's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Whiteside County Regional Office of Education No. 55's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Whiteside County Regional Office of Education No. 55's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in the internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings and Responses we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We considered the deficiency described in finding 11-1 in the accompanying Schedule of Findings and Responses to be a material weakness.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Whiteside County Regional Office of Education No. 55's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted a certain matter which we have reported to management of the Regional Office of Education No. 55 in a separate letter dated May 1, 2012.

Regional Office of Education No. 55's response to the finding identified in our audit is described in the accompanying Schedule of Findings and Responses. We did not audit Whiteside County Regional Office of Education No. 55's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Auditor General, the General Assembly, the Legislative Audit Commission, the Governor, agency management, others within the organization, Illinois State Board of Education, and is not intended to be and should not be used by anyone other than these specified parties.

**Section II: Financial Statement Findings:**

**FINDING NO. 11-1 - Controls Over Financial Statement Preparation** (Repeat from 2010 - No. 10-1 and 2009 - No. 09-1)

**Criteria/Specific Requirement:**

The Regional Office of Education No. 55 is required to maintain a system of controls over the preparation of financial statements in accordance with generally accepted accounting principles (GAAP). Regional Office internal controls over GAAP financial reporting should include adequately trained personnel with the knowledge and expertise to prepare and/or thoroughly review GAAP based financial statements to ensure that they are free of material misstatements and include all disclosures as required by the Governmental Accounting Standards Board (GASB).

**Condition:**

The Regional Office of Education No. 55 does not have sufficient internal controls over the financial reporting process. The Regional Office maintains their accounting records on the cash basis of accounting. While the Regional Office maintains controls over the processing of most accounting transactions, there are not sufficient controls over the preparation of the GAAP based financial statements for management or employees in the normal course of performing their assigned functions to prevent or detect and correct financial statement misstatements and disclosure omissions in a timely manner. Auditors, in their review of the Regional Office's accounting records, noted numerous adjustments that were required to present financial statements in accordance with generally accepted accounting principles.

**Effect:**

Management or employees in the normal course of performing their assigned functions may not prevent or detect and correct financial statement misstatements and disclosure omissions in a timely manner.

**Cause:**

Management's review process did not effectively detect all of the adjustments needed to present the financial statements in accordance with generally accepted accounting principles.

**Section II: Financial Statement Findings:**

**FINDING NO. 11-1 - Controls Over Financial Statement Preparation** (Repeat from 2010 - No. 10-1 and 2009 - No. 09-1) (Continued)

**Recommendation:**

As part of its internal control over the preparation of its financial statements, including disclosures, the Regional Office of Education No. 55 should implement a comprehensive preparation and/or review procedure to ensure that the financial statements, including disclosures, are complete and accurate. Such procedures should be performed by a properly trained individual(s) possessing a thorough understanding of applicable generally accepted accounting principles, GASB pronouncements, and knowledge of the Regional Office of Education's activities and operations.

**Management's Response:**

The Regional Office of Education will continue to maintain its accounting records on the cash basis of accounting. At the present time, the additional cost to the Regional Office of hiring or contracting the services outweighs the benefits. If additional financial resources are made available through the County or State of Illinois, the Regional Office will consider seeking the services of an accountant to review the financial statements and related disclosures for completeness and accuracy.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2011**

The Whiteside County Regional Office of Education No. 55 provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2011. We encourage readers to consider this information in conjunction with the Whiteside County Regional Office of Education No. 55's financial statements, which follow.

During fiscal year 2011 the Whiteside County Regional Office of Education No. 55 implemented Governmental Accounting Standards Board (GASB) Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, which required certain programs and funds to be reclassified and the restatement of beginning fund balances as detailed in Note 15 to the financial statements. Because of these reclassifications, the fund analysis is not comparable between fiscal year 2010 and fiscal year 2011.

**2011 FINANCIAL HIGHLIGHTS**

- General Fund revenues increased from \$373,009 in 2010 to \$539,141 in 2011 mainly due to changes resulting from fund reclassifications. The Whiteside County Regional Office of Education No. 55 showed an increase in General Fund's fund balance from \$51,592 in fiscal year 2010 to \$290,871 in fiscal year 2011 due to fund reclassifications and a net change in fund balance of \$57,244.
- The Institute Fund's fund balance increased from \$36,396 in 2010 to \$49,435 in 2011. The main reason for the increase is due to continuing to reverse the trend of expenditures above revenue to support various programs offered by the Regional Office.
- The Education Fund's fund balance decreased from \$77,826 in 2010 to \$53,402 in 2011. The Education Fund is made up of grants that the Regional Office receives and these can vary greatly from year to year as some programs have decreased funding or are discontinued while others see a funding increase.

**REPORTING WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55'S  
FINANCIAL ACTIVITIES**

***Government-wide Financial Statements***

The government-wide financial statements report information about Whiteside County Regional Office of Education No. 55 as a whole using accounting methods similar to those used by private-sector companies. The Statement of Net Assets includes all of Whiteside County Regional Office of Education No. 55's assets and liabilities. All of the current year's revenues and expenses are accounted for in the Statement of Activities, regardless of when cash is received or paid.

The two government-wide financial statements report Whiteside County Regional Office of Education No. 55's net assets and how they have changed. Net assets - the difference between Whiteside County Regional Office of Education No. 55's assets and liabilities - are one way to measure Whiteside County Regional Office of Education No. 55's financial health or financial position. Over time, increases or decreases in Whiteside County Regional Office of Education No. 55's net assets are an indicator of whether financial position is improving or deteriorating. To assess Whiteside County Regional Office of Education No. 55's overall health, additional non-financial factors, such as changes in Whiteside County Regional Office of Education No. 55's grant funding and the condition of facilities need to be considered.

In the government-wide financial statements, Whiteside County Regional Office of Education No. 55's activities are divided into two categories:

- *Governmental activities:* Most of Whiteside County Regional Office of Education No. 55's basic services are included here, such as grants and statutory funds. Federal and state grant proceeds finance most of these activities.
- *Business-type activities:* Whiteside County Regional Office of Education No. 55 charges fees to help cover the costs of certain services it provides.

***Fund Financial Statements***

The fund financial statements provide more detailed information about Whiteside County Regional Office of Education No. 55's funds, focusing on its most significant or "major" funds - not Whiteside County Regional Office of Education No. 55 as a whole. Funds are accounting devices Whiteside County Regional Office of Education No. 55 uses to keep track of specific sources of funding and spending on particular programs.

Some funds are required by state law. Whiteside County Regional Office of Education No. 55 establishes other funds to control and manage money for particular purposes, such as accounting for special revenue funds, or to show that it is properly using certain revenues, such as federal grants.

**WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2011**

Whiteside County Regional Office of Education No. 55 has three kinds of funds:

1) *Governmental funds*: Most of Whiteside County Regional Office of Education No. 55's basic services are included in governmental funds, which generally focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year-end that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more or fewer financial resources that can be spent in the near future to finance Whiteside County Regional Office of Education No. 55's programs.

Whiteside County Regional Office of Education No. 55's governmental funds include the General Fund and Special Revenue Funds.

The required financial statements for governmental funds include a Balance Sheet and a Statement of Revenues, Expenditures, and Changes in Fund Balances.

2) *Proprietary funds*: Services for which Whiteside County Regional Office of Education No. 55 charges a fee are generally reported in proprietary funds. Proprietary funds are reported in the same way as the government-wide financial statements. Whiteside County Regional Office of Education No. 55's Enterprise Funds are the same as its business-type activities, but provide more detail and additional information, such as cash flows.

The required financial statements for proprietary funds include a Statement of Net Assets; a Statement of Revenues, Expenses, and Changes in Fund Net Assets; and a Statement of Cash Flows.

3) *Fiduciary funds*: Whiteside County Regional Office of Education No. 55 is the trustee for assets that belong to others. These funds include the Agency Funds.

- Agency Funds - These are funds through which Whiteside County Regional Office of Education No. 55 administers and accounts for certain federal and/or state grants on behalf of others.

Whiteside County Regional Office of Education No. 55 is responsible for ensuring the assets reported in the fiduciary funds are used only for their intended purposes and by those to whom the assets belong. Whiteside County Regional Office of Education No. 55 excludes these activities from the government-wide financial statements because it cannot use these assets to finance its operations.

The required financial statements for fiduciary funds include a Statement of Fiduciary Net Assets.

**WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2011**

Reconciliations between the government-wide financial statements and the fund financial statements follow the fund financial statements.

**GOVERNMENT-WIDE FINANCIAL ANALYSIS**

Net assets may serve, over time, as a useful indicator of a government's financial position. In the case of Whiteside County Regional Office of Education No. 55, assets exceeded liabilities by \$508,421 as of June 30, 2011.

A portion of Whiteside County Regional Office of Education No. 55's net assets (10%) reflects its investment in capital assets (e.g., buildings, furniture, and equipment). Although Whiteside County Regional Office of Education No. 55's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Whiteside County Regional Office of Education No. 55's financial position is the product of several financial transactions including the net results of activities, the acquisition and disposal of capital assets, and the depreciation of capital assets.

The following table presents a summary of Whiteside County Regional Office of Education No. 55's net assets for the fiscal years ended June 30, 2011 and 2010.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2011**

**Governmental Fund Highlights**

The General Fund's fund balance increased from \$51,592 in 2010 to \$290,871 in 2011. The main reason for the increase is due to fund reclassifications and a net change in fund balance of \$57,244.

The Institute Fund's fund balance increased from \$36,396 in 2010 to \$49,435 in 2011. The main reason for the increase is due to continuing to reverse the trend of expenditures above revenue to support various programs offered by the Regional Office.

The Education Fund's fund balance decreased from \$77,826 in 2010 to \$53,402 in 2011. The Education Fund is made up of grants that the Regional Office receives and these can vary greatly from year to year as some programs are discontinued or cut back while others see a funding increase. Additionally, in fiscal year 2011 there were approximately \$34,456 of receivables that were received after 60 days after year end. These revenues are not recognized in the governmental fund financial statements, as they are not considered available. In fiscal year 2010 fund balance was \$77,826 and decreased to \$53,402 in fiscal year 2011.

**Proprietary Fund Highlights**

Proprietary Fund net assets decreased from \$11,649 at June 30, 2010 to \$7,486 at June 30, 2011, representing a decrease of approximately 36%. The main reason for the decrease was a transfer of allowable funds to the General Fund to be used for other purposes.

**BUDGETARY HIGHLIGHTS**

Whiteside County Regional Office of Education No. 55 is not required to create a budget for overall operations. They are required to prepare budgets for most of the grants they receive. Over the course of the year, Whiteside County Regional Office of Education No. 55 amended several of the grant budgets within the Education Fund. Budgets for grant programs are adjusted because of an increase or decrease in funding due to changes at the state level or to better allocate funds received to meet the needs of the program.

**Reporting Entity**

The Whiteside County Regional Office of Education No. 55 operates under the School Code (105 ILCS 5/3 and 5/3A). A Regional Superintendent of Schools serves as chief administrative officer of the Regional Office of Education No. 55 and is elected pursuant to 105 ILCS 5/3 and 5/3A of the School Code. The principal financial duty of the Regional Superintendent is to receive and distribute monies due to school districts from general state aid, state categorical grants, and various other sources.

The Whiteside County Regional Office of Education No. 55's reporting entity includes all related organizations for which the Regional Office of Education No. 55 exercises oversight responsibility in accordance with Statement No. 14 of the Governmental Accounting Standards Board.

The Regional Superintendent's responsibilities for administering the school educational service region programs include, but are not limited to, providing directions to teachers and school officials on science, art and teaching methods; implementing the State Board of Education's Policy Programs; encouraging camaraderie among teachers through the teachers' institute; making public notice of unfilled teaching positions within the region; and ensuring of the safety, health, and welfare of the students in the region by periodically inspecting the school buildings and ensuring that the bus drivers have valid driving licenses and are properly trained to operate the school buses. Further, the superintendent receives an allocation of school funds from the State Board of Education and apportions these funds to the school districts in accordance with the State Board of Education's formula.

The Superintendent has developed criteria to determine whether outside agencies with activities which benefit the citizens served by the Regional Office of Education No. 55 should be included within its financial reporting entity. The criteria includes, but is not limited to whether the Superintendent (1) selects the governing authority or management, (2) has the ability to significantly influence operations, or (3) has accountability for fiscal matters (i.e., financial budget approval, management of assets, etc.). The Superintendent has determined that no outside agency meets the above criteria and, therefore, no agency has been included as a component unit in the financial statements. In addition, the Superintendent is not aware of any entity which would exercise such oversight which would result in the Regional Office of Education No. 55 being considered a component unit of the entity.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Basis of Presentation**

**Government-wide Financial Statements** - The Statement of Net Assets and the Statement of Activities report information on all of the activities of Whiteside County Regional Office of Education No. 55. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities are normally supported by intergovernmental and local revenues.

The Statement of Net Assets presents Whiteside County Regional Office of Education No. 55's nonfiduciary assets and liabilities, with the difference reported as net assets. Net assets are reported in three categories:

*Invested in capital assets, net of related debt* consists of capital assets, net of accumulated depreciation and reduced by outstanding balances for any debt attributable to the acquisition, construction or improvement of those assets.

*Restricted net assets* result when constraints placed on net asset use are either externally imposed or imposed by law through constitutional provisions or enabling legislation.

*Unrestricted net assets* consist of net assets that do not meet the definition of the two preceding categories. Unrestricted net assets often have constraints on resources imposed by management which can be removed or modified.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those clearly identifiable with a specific function. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants, contributions and interest restricted to meeting the operational requirements of a particular function. Other items not properly included among program revenues are reported instead as general revenues.

**Fund Financial Statements** - Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. Nonmajor funds are consolidated into a single column within the governmental funds in the financial section of the basic financial statements and are detailed in the supplemental information.

**Measurement Focus and Basis of Accounting**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been satisfied.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Revenues received more than 60 days after the end of the current period are deferred in the governmental fund financial statements but are recognized as current revenues in the government-wide financial statements.

Intergovernmental revenues (shared revenues, grants and reimbursements from other governments) and interest associated with the current fiscal period are all considered to be susceptible to accrual. All other revenue items are considered to be measurable and available only when cash is received by the Whiteside County Regional Office of Education No. 55.

**WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2011**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Whiteside County Regional Office of Education No. 55 records on-behalf payments made by the State to the Teachers' Retirement System as revenue and expenditures.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Capital asset acquisitions are reported as expenditures in governmental funds.

Under the terms of grant agreements, Whiteside County Regional Office of Education No. 55 funds certain programs by a combination of specific cost-reimbursement grants and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted funding resources available to finance the program. It is Whiteside County Regional Office of Education No. 55's policy to first apply cost-reimbursement grant resources to such programs, and then general revenues. It is the Regional Office of Education No. 55's policy to first apply restricted funds, then unrestricted. For unrestricted funds, committed funds are used first, then assigned funds, then unassigned if any.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Whiteside County Regional Office of Education No. 55's enterprise fund are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Whiteside County Regional Office of Education No. 55 maintains its financial records on the cash basis. The financial statements of Whiteside County Regional Office of Education No. 55 are prepared by making memorandum adjusting entries to the cash basis financial records.

**Assets, Liabilities and Fund Equity**

The following accounting policies are followed in preparing the balance sheet:

Cash and cash equivalents - The cash and cash equivalent balances of Whiteside County Regional Office of Education No. 55 are valued at cost.

For purposes of the Statement of Cash Flows, all short-term cash investments that are highly liquid are considered to be cash equivalents. Cash equivalents are readily convertible to known amounts of cash and, at the day of purchase, have a maturity date no longer than three months.

**WHITESIDE COUNTY REGIONAL OFFICE OF EDUCATION NO. 55**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2011**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Due from other governments - Due from other governments represents amounts due from the Illinois State Board of Education and other local governments.

Capital assets - Capital assets, which include property, furniture and equipment, are reported in the government-wide Statement of Net Assets. Capital assets are recorded at historical cost. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repair that do not add to the value of the asset or materially extend asset lives are not capitalized. Capital assets are defined by Whiteside County Regional Office of Education No. 55 as assets with an initial, individual cost in excess of \$5,000 and estimated useful lives in excess of two years. Capital assets are depreciated using the sum-of-the-years method over 3-40 years.

The Whiteside County Regional Office of Education No. 55 reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

Compensated absences - Non-exempt, full-time employees earn vacation time according to their length of service; 10 days per year for the first four years of service and 15 days per year starting with the fifth year of service. Vacation time is prorated for employees working between 16 and 35 hours per week. Temporary employees, non-exempt employees who work less than 16 hours per week and exempt employees do not earn vacation days. Vacation time must be used within the same project year in which it was earned and unused vacation time at the end of a project year is forfeited. All projects in which salary expense is incurred have a year-end consistent with the Whiteside County Regional Office of Education No. 55's year-end of June 30, and therefore, no liability is accrued.

Employees receive 10 sick days and 2 personal business days annually and the unused portion is accumulated and carried forward. Employee sick leave is recorded when paid. Upon termination, employees do not receive any accumulated sick leave pay and therefore, no liability is accrued.

Deferred revenues - The Regional Office of Education reports unearned deferred revenue in the governmental fund Balance Sheet. Deferred and unearned revenue arises when potential revenue does not meet both the measurable and available criteria for recognition in the current period.

Illinois Municipal Retirement Fund

*Plan Description.* The Regional Office of Education No. 55's defined benefit pension plan for Regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The employer plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at [www.imrf.org](http://www.imrf.org).

*Funding Policy.* As set by statute, the Regional Office of Education No. 55's Regular plan members are required to contribute 4.50 percent of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rate for calendar year 2010 was 10.87 percent of annual covered payroll. The Regional Office of Education No. 55 also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

*Annual Pension Cost.* The required contribution for calendar year 2010 was \$56,474.

**NOTE 5 - EMPLOYEE BENEFIT PLAN (CONTINUED)**

The required contribution for 2010 was determined as part of the December 31, 2008, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2008, included (a) 7.5 percent investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 4.00% a year, attributable to inflation, (c) additional projected salary increases ranging from 0.4% to 10% per year depending on age and service, attributable to seniority/merit, and (d) post retirement benefit increases of 3% annually. The actuarial value of the Regional Office of Education No. 55's Regular plan assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period with a 20% corridor between the actuarial and market value of assets. The Regional Office of Education No. 55's Regular plan's unfunded actuarial accrued liability at December 31, 2008 is being amortized as a level percentage of projected payroll on an open 10 year basis.

*Funded Status and Funding Progress.* As of December 31, 2010, the most recent actuarial valuation date, the Regular plan was 83.09 percent funded. The actuarial accrued liability for benefits was \$874,295 and the actuarial value of assets was \$726,462, resulting in an underfunded actuarial accrued liability (UAAL) of \$147,833. The covered payroll for calendar year 2010 (annual payroll of active employees covered by the plan) was \$519,536 and the ratio of the UAAL to the covered payroll was 28 percent.

The schedule of funding progress, presented as RSI following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Teachers' Retirement System of the State of Illinois

The Regional Office of Education participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The state of Illinois maintains primary responsibility for the funding of the plan, but contributions from participating employers and members are also required. The TRS Board of Trustees is responsible for the system's administration.

TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher certification is required. The active member contribution rate for the year ended June 30, 2011, was 9.4 percent of creditable earnings. The same contribution rate applies to members whose first contributing services is on or after January 1, 2011, the effective date of the benefit changes contained in Public Act 96-0889. These contributions, which may be paid on behalf of employees by the employer, are submitted to TRS by the employer. The active member contribution rate was also 9.4 percent for the years ended June 30, 2010 and 2009.

**NOTE 6 - RETIREMENT PLANS (CONTINUED)**

The State of Illinois makes contributions directly to TRS on behalf of the Regional Office of Education No. 55's TRS-covered employees.

- **On-behalf Contributions.** The State of Illinois makes employer pension contributions on behalf of the Regional Office of Education No. 55. For the year ended June 30, 2011, the State of Illinois contributions were based on 23.10 percent of creditable earnings not paid from federal funds, and the Regional Office of Education No. 55 recognized revenue and expenditures of \$77,641 in pension contributions that the State of Illinois paid directly to TRS. For the years ended June 30, 2010 and June 30, 2009, the State of Illinois contribution rates as percentages of creditable earnings not paid from federal funds were 23.38 percent (\$47,211) and 17.08 percent (\$34,844), respectively.

Whiteside County Regional Office of Education No. 55 makes other types of employer contributions directly to TRS:

- **2.2 Formula Contributions.** Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ended June 30, 2011 were \$887. Contributions for the years ending June 30, 2010 and June 30, 2009, were \$1,171 and \$1,183, respectively.
- **Federal and Trust Fund Contributions.** When TRS members are paid from federal and special trust funds administered by the Regional Office of Education No. 55, there is a statutory requirement for the Regional Office of Education No. 55 to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that was first effective in the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS.

For the year ended June 30, 2011, the employer pension contribution was 23.10 percent of salaries paid from federal and special trust funds. For the years ended June 30, 2010 and 2009, the employer pension contribution was 23.38 and 17.08 percent of salaries paid from federal and special trust funds, respectively. For the year ended June 30, 2011, salaries totaling \$37,487 were paid from federal and special trust funds that required employer contributions of \$8,660. For the years ended June 30, 2010 and June 30, 2009, required contributions were \$8,507 and \$6,008, respectively.

- **Early Retirement Option.** The Regional Office of Education No. 55 is also required to make one-time employer contributions to TRS for members retiring under the Early Retirement Option (ERO). The payments vary depending on the age and salary of the member. The maximum employer ERO contribution is 117.5 percent and applies when the member is age 55 at retirement. For the years ended June 30, 2011, June 30, 2010 and June 30, 2009, the Regional Office Education No. 55 paid no ERO contributions.

**NOTE 6 - RETIREMENT PLANS (CONTINUED)**

- **Salary increases over 6 percent and excess sick leave.**
  - If an employer grants salary increases over 6 percent and those salaries are used to calculate a retiree's final average salary, the employer makes a contribution to TRS. The contribution will cover the difference in actuarial cost of the benefit based on actual salary increases and the benefit based on salary increases of up to 6 percent. For the years ended June 30, 2011, June 30, 2010, and June 30, 2009, the Regional Office of Education No. 55 did not make any contributions to TRS for salary increases in excess of 6 percent.
  - If an employer grants sick leave days in excess of the normal annual allotment and those days are used as TRS service credit, the employer makes a contribution to TRS. The contribution is based on the number of excess sick leave days used as service credit, the highest salary used to calculate final average salary, and the TRS total normal cost rate (18.03 percent of salary during the year ended June 30, 2011, as recertified pursuant to Public Act 96-1511). For the years ended June 30, 2011, June 30, 2010, and June 30, 2009, the Regional Office of Education No. 55 did not make any contributions to TRS for sick leave days granted in excess of the normal annual allotment.

Teachers Health Insurance Security Fund

The Regional Office of Education No. 55 participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan that was established by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. The THIS Fund provides medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits to annuitants of the Teachers' Retirement System (TRS). Annuitants may participate in the state administered participating provider option plan or choose from several managed care options.

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The Illinois Department of Healthcare and Family Services (HFS) and the Illinois Department of Central Management Services (CMS) administer the plan with the cooperation of TRS. The director of HFS determines the rates and premiums for annuitants and dependent beneficiaries and establishes the cost-sharing parameters. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to the TRS who are not employees of the state make a contribution to THIS.
