FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

LACK OF ADEQUATE CONTROLS OVER THE REVIEW OF EXTERNAL SERVICE PROVIDER

The Office did not maintain adequate controls to ensure all external service providers' internal controls were reviewed.

The Office utilized an external service provider as the custodian of the Illinois Funds Program and an external service provider as a payment processor for the E-Pay program. As of June 30, 2018, the net position held in trust for pool participants was \$5.6 billion.

During testing, the auditors noted:

- Office personnel obtained and reviewed the Service Organization Control (SOC) report for one business group of the custodian of the Illinois Funds Program, but did not obtain all SOC reports to cover all significant services provided by the custodian.
- The Office did not perform procedures to review and monitor the internal controls of the payment processor external service provider. (Finding 1, pages 63-64)

We recommended the Office establish an internal control process to timely request, review and document the review of all SOC reports from its service providers when reports are issued. If SOC reports are not available, other procedures should be performed by the Office to ensure internal controls at the external service provider are adequate.

The Office accepted the recommendation.

The SOC report reviewed by the Office did not cover all significant services provided by the custodian.

Internal controls of the payment

processor were not reviewed.

The Office accepted the recommendation.
