**INDEPENDENT ACCOUNTANTS' REPORT ON SPECIAL LIMITED STATE
COMPLIANCE TESTING AND ON SUPPLEMENTARY INFORMATION FOR STATE
COMPLIANCE PURPOSES**

Honorable William G. Holland
Auditor General
State of Illinois

Compliance

We have examined the Public School Teachers' Pension and Retirement Fund of Chicago's (Fund) compliance with the requirements listed below, as more fully described in the Audit Guide for Financial Audits and Compliance Attestation Engagements of Illinois State Agencies (Audit Guide) as adopted by the Auditor General, insofar as such standards are applicable to this special limited testing, during the two years ended June 30, 2007. The management of the Fund is responsible for compliance with these requirements. Our responsibility is to express an opinion on the Fund's compliance based on our examination.

- A. The Fund has expended and used public funds of the State in accordance with the purpose for which such funds have been appropriated.
- B. The Fund has submitted its annual report to the State as authorized by law.

We conducted our special limited scope compliance examination in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the Illinois State Auditing Act (Act); and the Audit Guide as adopted by the Auditor General pursuant to the Act insofar as such standards are applicable to this special limited testing; and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements listed in the first paragraph of this report and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Fund's compliance with specified requirements.

Our special limited compliance testing was restricted to the appropriations made from the Illinois General Assembly to the Fund from Fund 001 and Fund 007 and the related expenditures. We have not examined the financial statements of the Fund and, accordingly, we do not express an opinion on them.

In our opinion, the Fund complied, in all material respects, with the requirements listed in the first paragraph of this report during the year ended June 30, 2007. The results of our procedures disclosed no instances of noncompliance with those requirements, which are required to be reported in accordance with criteria established by the Audit Guide, issued by the Illinois Office of the Auditor General. There were no immaterial findings developed in this special limited State compliance testing which have been excluded from this report.

Supplementary Information for State Compliance Purposes

Our examination was conducted for the purpose of forming an opinion on compliance with the requirements listed in the first paragraph of this report. The accompanying supplementary information as listed in the table of contents as Supplementary Information for State Compliance Purposes is presented for purposes of additional analysis. We have applied certain limited procedures as prescribed by the Audit Guide as adopted by the Auditor General to the 2006 and the 2007 Supplementary Information for State Compliance Purposes. However, we do not express an opinion on the supplementary information.

We have not applied procedures to the 2005 Supplementary Information for State Compliance Purposes, and accordingly, we do not express an opinion thereon.

This report is intended solely for the information and use of the Auditor General, the General Assembly, the Legislative Audit Commission, the Governor, Fund management, and the Fund's governing board and is not intended to be and should not be used by anyone other than these specified parties.

Director of Financial and Compliance Audits
