SUPPLEMENTAL DIGEST TO RETIREMENT SYSTEMS' AUDITS

For the years ending June 30, 2005, and June 30, 2006

According to figures provided by the retirement systems, the cumulative unfunded actuarial accrued liability for the five State-financed retirement systems as of June 30, 2006, was \$40.7 billion. The unfunded actuarial accrued liability *increased* over \$2.1 billion (6%) during FY2006. By comparison, the unfunded actuarial accrued liability *increased* by \$3.5 billion during FY2005, from \$35.1 billion to \$38.6 billion.

TIMELINE OF SIGNIFICANT CHANGES TO PENSION LAWS

<i>Effective Date</i>	<i>Public Act Number/Summary of Change</i>
August 22, 1994	P.A. 88-0593 Created a 50-year funding plan designed to increase pension funding incrementally until a 90% funding level is achieved; established continuing appropriation mechanism for payment of State contributions.
June 25, 2002	P.A. 92-0566 Provided an early retirement incentive (ERI) for SERS participants retiring before 12/31/02 (4/30/03 in some cases).
April 7, 2003	P.A. 93-0002 Authorized the State to issue \$10 billion in general obligations bonds; bonds were issued 6/12/03; \$2.7 billion of the proceeds were used to pay part of FY2003 and all of FY2004 State contributions, bond issuance costs and first year's interest on the bonds; balance of \$7.3 billion allocated to retirement systems; FY2004-2007 debt service is interest only; principal payments on bonds begin in FY2008. Commencing FY2005, the maximum State contribution to the systems equals the contribution that would have been required under the 50-year funding plan (P.A. 88-0593), if the general obligation bond contribution had not been made, reduced – but not below zero – by the State's debt service on the pension bonds.

(continued)

July 30, 2004

P.A. 93-0839

Changed the measurement and calculation of liabilities due to the ERI (see P.A. 92-0566); funding spread over a 12-year period; FY2004 and FY2005 payments to SERS fixed at \$70 million; allowed SERS to collect \$134.1 million for debt service from employer contributions during FY2005; suspended payments from State Pension Fund to SERS in the amount of \$18.7 million for FY2005.

June 1, 2005

P.A. 94-0004

Suspended payments required under P.A. 88-0593 for FY2006 and FY2007. Instead, fixed specific amounts for FY2006 and FY2007 contributions to retirement systems; ramps up contributions in FY2008 through FY2010 so that, by FY2011, contributions will be at an amount sufficient to meet 90% funding level specified in P.A. 88-0593 by FY2045; beginning in FY2008, changes funding mechanism for ERI (eliminates 12-year funding mechanism provided in P.A. 93-0839).

Appropriations and Debt Service Payments for Pensions (in millions)

Retirement System Appropriations	FY 2005		FY 2006		FY 2007 ⁽¹⁾		FY 2008 ⁽¹⁾
