Compliance

We have examined the Upper Illinois River Valley Development Authority's (Authority) compliance with the requirements listed below, as more fully described in the Audit Guide for Financial Audits and Compliance Attestation Engagements of Illinois State Agencies (Audit Guide) as adopted by the Auditor General for the appropriations made by the Illinois General Assembly to the Authority from the General Revenue Fund (001) during the two years ended June 30, 2007. The management of the Authority is responsible for compliance with these requirements. Our responsibility is to express an opinion on the Authority's compliance based on our examination.

- A. The Authority has expended public funds of the State in accordance with the purposes for which such funds have been appropriated.
- B. The Authority has submitted its annual certifications of debt service requirements to the State Comptroller and State Treasurer as required by law.

Our special limited scope compliance examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the Illinois State Auditing Act (Act); and the Audit Guide as adopted by the Auditor General pursuant to the Act; and, accordingly, included examining, on a test basis, evidence about the Authority's compliance with those requirements listed in the first paragraph of this report and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

Our special limited scope compliance examination was restricted to appropriations made by the Illinois General Assembly to the Authority from the General Revenue Fund and related expenditures.

In our opinion, the Authority complied, in all material respects, with the requirements listed in the first paragraph of this report during the two years ended June 30, 2007.

There were no immaterial findings relating to instances of noncompliance that have been excluded from this report.

Supplementary Information for State Compliance Purposes

The accompanying supplementary information as listed in the table of contents as Supplementary Information for State Compliance Purposes is presented for purposes of additional analysis. We have applied certain limited procedures as prescribed by the Audit Guide as adopted by the Auditor General to the 2006 and the 2007 Supplementary Information for State Compliance Purposes. However, we do not express an opinion on the supplementary information.

REPORT COMMENTS

For the Two Years Ended June 30, 2007

The Upper Illinois River Valley Development Authority (Authority) was created by an act of the Illinois legislature and signed into law by Public Act 86-1024 on January 1, 1990. The Authority is a general development agency for the counties of Bureau, Grundy, Kane, Kendall, LaSalle, Marshall, McHenry, and Putnam and is one of ten regional developmental authorities within the State of Illinois.

The Authority has the ability to issue up to \$250,000,000 bonds on behalf of manufacturing firms to encourage the creation of jobs. With the Governor's approval, the Authority can issue Moral Obligation Bonds that are backed by the State of Illinois.

On August 1, 1998, the Authority issued \$2,930,000 of Solid Waste Disposal Refunding Revenue Bonds on behalf of Waste Recovery Illinois. On January 29, 2003, New Heights Recovery, LLC, which superseded Waste Recovery Illinois, notified the Authority that it had insufficient funds to make the current and future principal and interest payments on the bonds. Due to bankruptcy proceedings, New Heights Recovery, LLC has not been able to make its bond payments since in FY04.

The Upper Illinois River Valley Development Authority Act (70 ILCS 530) states that if the Authority determines that its monies will not be sufficient for the payment of the principal and interest on its bonds, the Authority shall certify to the Governor the amount required in order to make such principal and interest payments. Additionally, in the event that payments are withdrawn from a debt service reserve fund for an Authority bond issue, the Authority shall certify to the Governor the amount required to restore the reserve fund to the required level. The Governor will then submit the amounts to the General Assembly in order for the Authority to be appropriated monies for such purposes. As a result, in FY06 and FY07, the General Assembly made appropriations to the Authority in order to replenish draws on the debt service reserve fund backing bonds issued on behalf of Waste Recovery Illinois.

During the examination period, the Authority paid all State appropriations to the Debt Service Reserve Fund. The trustee then transferred funds from the Debt Service Reserve Fund to meet debt service requirements.
