Terry A. Scrogum
Executive Director

The Honorable William Holland
Auditor General
Springfield, Illinois 62701

An evaluation of the internal fiscal and administrative controls of the Illinois Arts Council was completed for the report due 5/1/07 as required by the Fiscal Control and Internal Auditing Act conducted in accordance with the guidelines established by the Comptroller in consultation with the Director of Central Management Services as approved by the Legislative Audit Commission.

The objective of the system of the internal fiscal and administrative controls of the Illinois Arts Council are to provide reasonable assurance that:

1. resources are utilized efficiently, effectively, and in compliance with applicable law;
2. obligations and costs are in compliance with applicable law;
3. fund, property, and other assets and resources are safeguarded against waste, loss, unauthorized use, and misappropriation;
4. revenues, expenditures, and transfers of assets, resources, or funds applicable to operations are properly recorded and accounted for to permit the preparation of accounts and reliable financial and statistical reports and to maintain accountability over the state's resources; and
5. funds held outside the State Treasury are managed, used and obtained in strict accordance with terms of their enabling authorities and that no unauthorized funds exist.

The concept of reasonable assurance recognizes that the cost of inherent control should not exceed the benefits expected to be derived therefrom, and that the benefits consist of reductions in the risks of failing to achieve the stated objectives. Estimates and judgements are required to assess the expected benefits and related costs of control procedures. Furthermore, errors or irregularities may occur and not be detected because of inherent limitations in any system of internal accounting and administrative control, including those limitations resulting from resource constraints, legislative restrictions, and other factors.

Finally, projection of any evaluation of the system to future periods is subject to the risk that procedures may be inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate. Nonetheless, I have taken the necessary measures to assure that the evaluation, identified in the first paragraph, has been conducted in a thorough and conscientious manner.

The systems of internal fiscal and administrative controls of the Illinois Arts Council comply with requirements of this act.

Yours truly,
