RE: Modification of Notice of Intent to Issue Request for Proposals Dated
November 3, 2014 (See Website @ www.auditor.illinois.gov)

On November 3, 2014, the Illinois Office of the Auditor General notified audit firms that it would be soliciting proposals from qualified firms of certified public accountants to conduct 2015 financial audits, single audits, and compliance attestation engagements with a renewal option for audits of subsequent periods as provided by contract and set forth in the Request for Proposal (RFP). **The original notice is available on our website at www.auditor.illinois.gov/Procurement-Bulletin-2010/Opps-Intent.asp.**

At this date, the Illinois Office of the Auditor General is modifying the scope of one engagement pertaining to:

Group 2 RFP #15-5 Illinois Mathematics & Science Academy and Illinois Mathematics and Science Academy Fund

The scope change pertains to the Illinois Mathematics & Science Academy. The original notice indicated an annual state compliance attestation examination only. This revised notice indicates both an annual financial audit and a state compliance examination.
