OFFICE OF THE AUDITOR GENERAL  
FRANK J. MAUTINO

---

**TO:** Prospective Bidders

**FROM:** Jane Clark  
Director of Financial/Compliance Audits

**DATE:** February 22, 2022

**RE:** Notice of Intent to Issue Requests for Proposals, Revised

---

On November 1, 2021 the Office of the Auditor General (Office) issued a Notice of Intent to Issue Requests for Proposals from qualified firms of certified public accountants to conduct numerous 2022 financial audits, single audits, and compliance attestation engagements. At that time, the Office provided on its website at <https://www.auditor.illinois.gov/Procurement-Bulletin/RFPs/Opps-Intent.asp> a list of 11 agencies (excluding Regional Office of Education entities) for which Requests for Proposals would be issued.

Group 3 Requests for Proposals were to be issued and placed on our website on February 15, 2022. These RFPs were inadvertently not posted until February 17, 2022. The proposal due date of March 8, 2022 remains unchanged.

If your firm is not currently prequalified with our Office, we encourage you to complete and submit the prequalification forms found on our website at <https://www.auditor.illinois.gov/Procurement-Bulletin/Prequalification-Info.asp>. Prequalification forms must be submitted no later than the due date and time for submitting proposals.

If your firm is currently prequalified with our Office, we encourage you to submit a proposal for this engagement. If your firm wishes to have its prequalification level re-assessed by our Office, please complete and resubmit prequalification forms for our review.

If you have questions about the Office's audit program, our prequalification forms or our RFP process, please contact me by phone at 217-782-6046 or by email at [jclark@auditor.illinois.gov](mailto:jclark@auditor.illinois.gov).

Contact with State personnel other than the appropriate OAG Audit Director regarding our procurement opportunities may be grounds for elimination from the selection process.
