SUPPLEMENTAL DIGEST

DEPARTMENT OF JUVENILE JUSTICE

AUGUST 2011

Today I am releasing the report for the Department of Juvenile Justice (Department). The Department report contains the results of a compliance attestation examination for the two years ended June 30, 2010. For the two years ending June 30, 2010, separate engagements were not performed at the Department's Youth Centers; instead limited testing was performed at the Youth Centers and the results of those procedures, as applicable, were incorporated into the Department's report.

Summaries of certain operational and statistical data have been included in the attached charts and schedules. For example, one chart provides details on the average total youth population and rated capacity by Youth Center. For 2010, the Department had an average total population of 1,192 juveniles in Youth Centers having a rated total capacity of 1,754. This is a decrease from 2008 when the Department had an average total population of 1,364 juveniles at Youth Centers with a rated total capacity of 1,754. Based on the information provided by the Department the population of juveniles for fiscal year 2010 is 562 (or 32%) under capacity.

Another chart provides details on the average yearly cost per youth by Youth Center. For 2010 the average yearly cost per youth ranged from \$215,750 (Pere Marquette) to \$69,321 (Harrisburg) in the Youth Centers. For 2008 the average yearly cost per youth ranged from \$196,496 (Pere Marquette) to \$69,434 (St. Charles) in the Youth Centers.

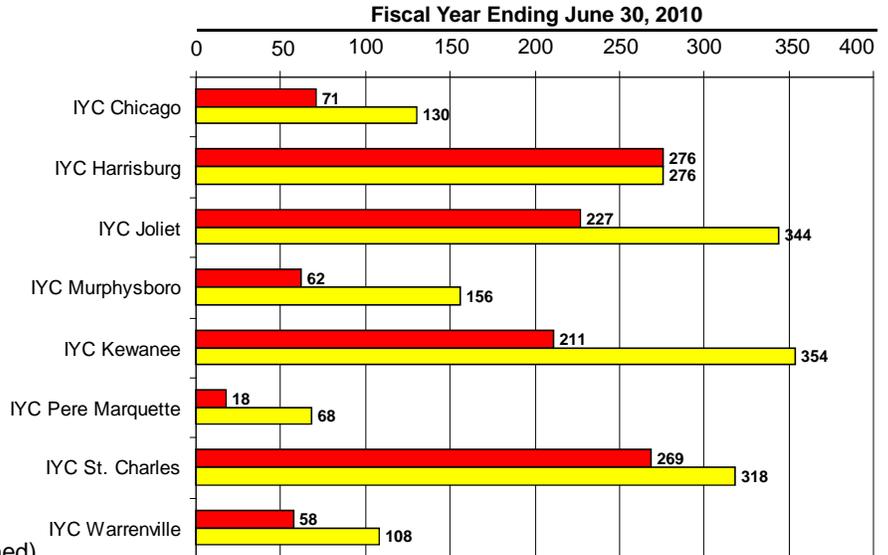

The last chart provides information regarding the value of paid overtime hours and earned compensatory hours, number of Juvenile Justice Specialists per Youth Center, and the ratio of youths to Juvenile Justice Specialists at the Youth Centers. For fiscal year 2010 the total value of paid overtime hours and earned compensatory hours at Youth Centers was \$5,377,598, a decrease from the amount in fiscal year 2009 of approximately 31%. For fiscal year 2009 the total value of paid overtime hours and earned compensatory hours at Youth Centers was \$7,785,508, while for fiscal year 2008 the total value of paid overtime hours and earned compensatory hours was \$5,826,500.
