FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

INADEQUATE INTERNAL CONTROLS RELATED TO REVIEW OF FINANCIAL STATEMENTS

The Office had inadequate internal controls over the Office's Illinois Funds Program financial statement preparation and review process, specifically the determination of proper financial reporting for the external portion of The Illinois Funds program.

To determine the external portion of the fund in accordance with Governmental Accounting Standards Board (GASB) Statement No. 84, Fiduciary Activities, the Office identified internal and external participant account values. During our review of the financial statements we noted the Office incorrectly included one internal account, totaling \$3,021,410, and excluded one external account, totaling \$46,077,950, within their calculation of the external portion, for a net error totaling \$43,056,540. This error led to the misstatement of all accounts on the Statements of Fiduciary Net Position and the Statements of Changes in Fiduciary Net Position and resulted in various errors in the Notes to the Financial Statements and Supplementary Information. As of June 30, 2022, the Net Position Held in Trust for Pool Participants, including the internal and external participants, was \$16,077,483,986. (Finding 1, pages 64-65)

The Office corrected the errors noted above.

We recommended the Office improve controls over the financial reporting process of the Illinois Funds Program, specifically:

- Verify accuracy of all information reported.
- Verify external account value agrees to underlying support.
- Verify amounts reported agree between statements, note disclosures, and supplementary information.

The Office accepted the recommendations.

OTHER FINDING

The remaining finding pertains to internal controls over external service providers. We will review the Office's progress towards the implementation of our recommendations in our next financial audit.

One external account, totaling \$46,077,950, was excluded from their calculation of the external portion

Office agreed

AUDITOR'S OPINION

The auditors stated the financial statements of the Program as of and for the years ended June 30, 2022, and June 30, 2021, are fairly stated in all material respects.

This financial audit was conducted by Crowe LLP.
