FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

FINANCIAL STATEMENT REPORTING OF RESTRICTED ASSETS

Eastern Illinois University (University) did not ensure restrictions from revenue bond covenants were properly reflected within the University's financial statements.

Restricted assets and restricted net position not accurately reported

During testing, we noted the University had controls to segregate the System's assets and include their net position with the University's financial statements; however, the University did not accurately report restricted assets and restricted net position under generally accepted accounting principles..

We recommended the University continue to review its financial reporting to provide assurance accounts are properly classified under generally accepted accounting principles.

University agrees with auditors

University officials agreed with the recommendation.

AUDITOR'S OPINION

The auditors stated the financial statements of the University as of June 30, 2017, and for the year then ended, are fairly stated in all material respects.
