INDEPENDENT AUDITOR’S REPORT

Honorable Christopher B. Meister
Auditor General
State of Illinois

Report on the Audit of the Financial Statements

Opinions

As Special Assistant Auditors for the Auditor General, we have audited the modified cash basis financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12’s basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12, as of June 30, 2025, and the respective changes in modified cash basis financial position and, where applicable, cash flows thereof for the year then ended in accordance with modified cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12, and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter – Basis of Accounting

We draw your attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole that collectively comprise the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's basic financial statements. The combining schedules of accounts, the budgetary comparison schedules, and the combining fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining schedules of accounts, the budgetary comparison schedules, and the combining fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole on the modified cash basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 12, 2026 on our consideration of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clay, Crawford, Jasper, Lawrence and Richland Counties Regional Office of Education No. 12's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Christopher B. Meister
Auditor General
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12 as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's modified cash basis financial statements, and we have issued our report thereon dated May 12, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clay, Crawford, Jasper, Lawrence, and Richland Counties Regional Office of Education No. 12's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and presentation of the basic financial statements of the Regional Office of Education No. 12 have been prepared in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles, as applicable to governments. The Governmental Accounting Standards Board (“GASB”) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

A. Reporting Entity

The Regional Office of Education No. 12 was created by Illinois Public Act 76-735, as amended, effective August 8, 1995. The Region encompasses Clay, Crawford, Jasper, Lawrence, and Richland counties.

The Regional Superintendent of Schools is the chief administrative officer of the region and is elected to the position for a four-year term. The Regional Superintendent is responsible for the supervision and control of the school districts.

The Regional Superintendent's responsibilities for administering the school educational service region programs include, but are not limited to, providing directions to teachers and school officials on science, art and teaching methods; implementing the State Board of Education's Policy Programs; encouraging camaraderie among teachers through the teachers' institute; making public notice of unfilled teaching positions within the region; and ensuring the safety, health and welfare of the students in the region by periodically inspecting the school buildings and ensuring that the bus drivers have valid driving licenses and are properly trained to operate the school buses. The Regional Superintendent is also responsible for apportionment and payment of funds received from the State for the districts in the region, or seeing that no payments are made unless the treasurer has filed or renewed appropriate bond and that the district has certified publication of the annual financial report.

The Regional Office of Education No. 12 derives its oversight power and authority over the school districts from the School Code and is responsible for its own fiscal and budgetary matters. The Regional Office of Education No. 12 exercises no oversight responsibility on financial interdependency, selection of governing authority, designation of management or the ability to significantly influence the operations of any other outside agencies. Control or dependency is determined on the basis of budget adoption, taxing authority, funding and appointment of the respective governing order. Therefore, no other agency has been included as a component unit in the Regional Office of Education No. 12's financial statements. In addition, the Regional Office of Education No. 12 is not aware of any entity that would exercise oversight as to result in the Regional Office of Education No. 12 being considered a component unit of the entity.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by intergovernmental revenues, are reported separately from the business-type activities, which rely to a significant extent on fees and charges for support.

The Statement of Net Position includes all of the Regional Office of Education No. 12's assets, including capital assets and liabilities in accordance with the modified cash basis of accounting. The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. Nonmajor funds are aggregated and presented in a single column.

Certain eliminations have been made as prescribed by governmental accounting standards in regard to interfund activities, such as payables, receivables and transfers. Interfund activities between governmental funds and between governmental funds and proprietary funds appear as due to/due from on the governmental fund Balance Sheet and the proprietary fund Statement of Net Position, and as other resources and other uses on the governmental fund Statement of Revenues, Expenditures and Changes in Fund Balances and on the proprietary fund Statement of Revenues, Expenses and Changes in Fund Net Position. All interfund transactions between governmental funds are eliminated on the government-wide financial statements. All internal balances in the Statement of Net Position have been eliminated.

Governmental fund financial statements include a Balance Sheet and a Statement of Revenues, Expenditures, and Changes in Fund Balances for all major governmental funds and nonmajor funds aggregated. An accompanying schedule is presented to reconcile and explain the differences in fund balances and changes in fund balances as presented in these statements to the net position and changes in net position presented in the government-wide financial statements.

Proprietary fund financial statements include a Statement of Net Position, a Statement of Revenues, Expenses, and Changes in Fund Net Position, and a Statement of Cash Flows for the nonmajor proprietary fund.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide statements report using the economic resources measurement focus, while the governmental fund financial statements report using the current financial resources measurement focus. Since the governmental fund financial statements are presented on a different measurement focus than the government-wide statements (due mainly to inclusion of capital assets and long-term debt activity in the government-wide presentation) a reconciliation is presented, which briefly explains the adjustments necessary to transform the fund based financial statements into the governmental column of the government-wide presentation.

Basis of accounting refers to when revenues received and expenses or expenditures disbursed are recognized in the accounts and how they are reported on the financial statements. The Regional Office of Education No. 12 maintains its accounting records for all funds on the modified cash basis of accounting. Modified cash basis financial statements omit recognition of receivables and payables and other accrued and deferred items that do not arise from previous cash transactions. Their revenues are recognized when they are received, and expenses or expenditures are recognized when paid. Generally accepted accounting principles require the recognition of revenue when it becomes “measurable” and “available” as net current assets and, generally, expenses or expenditures when the related fund liability is incurred.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Regional Office of Education No. 12's enterprise fund is charges to customers for workshop fees. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

It is the Regional Office of Education No. 12's policy to first apply restricted resources when an expenditure or expense is incurred for which both restricted and unrestricted resources are available. For unrestricted fund balances, committed fund balances are used first, then assigned fund balances, then unassigned, if any.

1. Governmental Funds

2. Proprietary Fund

Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprise where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis should be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control accountability, or other purposes.

D. Assets, Liabilities, and Net Position or Equity

1. Deposits and Investments

The Regional Office of Education No. 12 considers cash on hand, checking accounts, savings accounts, and investments held with an original maturity date of 90 days or less to be cash and cash equivalents. State regulations require that Regional Office of Education No. 12 deposit funds under its control into accounts insured by the federal governments, accounts secured by substantial collateral, or pooled investment trusts. All funds not needed for immediate disbursement are maintained in interest bearing accounts.

Statutes authorize the Regional Office of Education No. 12 to make deposits or invest in obligations of states and their political subdivisions, savings accounts, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and the Illinois Funds Money Market Fund.

2. Interfund Transactions

Activity between funds that is representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as “due to/from other funds” in the fund financial statements. Balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.”

3. Capital Assets

Capital assets are reported in the applicable columns in the government-wide financial statements. Capital assets, such as equipment, are defined by the government as assets with an initial, individual cost of more than \$500 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Office equipment and furniture	5-10
Computer equipment	3-10
Other equipment	5-20

In the fund financial statements, capital assets used in governmental operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition.

4. Equity Classifications

Government-wide and Proprietary Fund Statements

Equity is classified as net position and displayed in three components:

Net investment in capital assets - Consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted net position - Consists of restricted assets reduced by liabilities related to those assets.

Unrestricted net position - The net amount of the assets and liabilities that are not included in the determination of net investment in capital assets or the restricted component of net position.

E. New Accounting Pronouncements

The Regional Office of Education No. 12 has reviewed the Governmental Accounting Standards Board (GASB) Statements that became effective for the fiscal year ended June 30, 2025 and has determined that none of the new Statements were applicable or had a material impact on the Regional Office's financial statements.

F. Budgets and Budgetary Accounting

The Regional Office of Education No. 12 was not legally required to adopt annual budgets for all funds under its control, and some annual budgets prepared were not based upon the same operating period. Therefore, budgetary reports comparing budgeted to actual expenditures are not presented.

Budgets relating to programs funded by grants from the State agencies, primarily the Illinois State Board of Education, are prepared and submitted to the granting agencies for approval as part of the grant awards process. The granting agencies must also approve amendments to these budgets. Grant project budgets are based on the award period. Budgetary Comparison Schedules have been presented for the following grants: American Rescue Plan – Homeless Children and Youth, CTE Education Career Pathway, Early Childhood - Preschool for All, Literacy Plan, McKinney Education for Homeless Children, Regional Safe Schools, ROE/ISC Operations, Social Emotional Learning and Trauma Response, and Truants Alternative/Optional Education.

G. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

H. Interest on Fiduciary Fund Accounts

Funds received by the Regional Office of Education No. 12 for the fiduciary funds accrue interest for the period of time between the receipt of funds and clearance of transfers to recipient. Fiduciary fund interest earned and related charges are recognized as revenue and expenditures in the General Fund.

I. Date of Management's Review

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system services prior to January 1, 2011. Tier I members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service.

Tier II members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the highest four. Disability provisions for Tier II are identical to those of Tier I. Death benefits are payable under a formula that is different from Tier I.

Essentially all Tier I retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Public Act 100-0023, enacted in 2017, creates an optional Tier III hybrid retirement plan, but it has not yet gone into effect. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2026. One program allows retiring Tier I members to receive a partial lump-sum payment in exchange for accepting a lower, delayed annual increase. The other allows inactive vested Tier I and II members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs began in 2019 and are funded by bonds issued by the State of Illinois.

A. Teachers' Retirement System of the State of Illinois (Concluded)

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2024, was 9.0 percent of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the Regional Office of Education No. 12.

2.2 formula contributions – Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. Contributions for the year ended June 30, 2025, were \$4,148.

Federal and special trust fund contributions – When TRS members are paid from federal and special trust funds administered by the employer, there is a statutory requirement for the employer to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2018.

Previously, employer contributions for employees paid from federal and special trust funds were at the same rate as the state contribution rate to TRS and were much higher.

For the year ended June 30, 2025, the employer pension contribution was 10.34 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2025, salaries totaling \$35,528 were paid from federal and special trust funds that required employer contributions of \$3,674.

Employer retirement cost contributions – Under GASB Statement No. 68, contributions that an employer is required to pay because of a TRS member retiring are categorized as specific liability payments. The employer is required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree's final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2025, the Regional Office of Education No. 12 made no payments to TRS for employer contributions due on salary increases in excess of 6 percent or for sick leave days granted in excess of the normal annual allotment.

NOTE 6 – RETIREMENT FUND COMMITMENTS (Continued)

B. Illinois Municipal Retirement Fund

IMRF Plan Description

The Regional Office of Education No. 12's defined benefit pension plan for regular employees provides retirement and disability benefits, post-retirement increases, and death benefits to plan members and beneficiaries. The Regional Office of Education No. 12's plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of an agent multi-employer public pension fund. A summary of IMRF's pension benefits is provided in the "Benefits Provided" section of this document. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Annual Comprehensive Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. The report is available for download at www.imrf.org.

Benefits Provided

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired *before* January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired *on or after* January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the *lesser* of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

NOTE 6 – RETIREMENT FUND COMMITMENTS (Concluded)

B. Illinois Municipal Retirement Fund (Concluded)

Contributions

As set by statute, the Regional Office of Education No. 12's Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The Regional Office of Education No. 12's annual contribution rate for calendar year 2025 and 2024 was 2.13% and 0.82%, respectively. For the fiscal year ended June 30, 2025, the Regional Office of Education No. 12 contributed \$8,242 to the plan. The Regional Office of Education No. 12 also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level.

Contribution rates for disability and death benefits are set by IMRF's Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Because of the use of the modified cash basis of accounting framework in the preparation of these financial statements, the Regional Office of Education No. 12's net pension liability is not reported in the financial statements as a liability. In accordance with the modified cash basis of accounting, pension expenditures are only reported when contributions are paid by the Regional Office of Education No. 12 to the plan.

C. Aggregate Pension Expense

The Regional Office of Education No. 12's aggregate pension expense for retirement funds for the year ended June 30, 2025 is as follows:

TRS	\$	7,822
IMRF		8,242
Total	\$	16,064

As a result of the Governor’s Executive Order 12-01, the responsibilities in relation to THIS were transferred to the Department of Central Management Services (Department) as of July 1, 2013. The Department administers the plan with the cooperation of the Teachers’ Retirement System (TRS).

Benefits Provided

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of the THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The plan is administered by the Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to TRS who are not employees of the State to make a contribution to the THIS Fund.

A percentage of employer required contributions in the future will not exceed 105 percent of the percentage of salary actually required to be paid in the previous fiscal year.

Employer Contributions to the THIS Fund

The Regional Office of Education No. 12 also makes contributions to the THIS Fund. The employer THIS Fund contribution was 0.67 percent during the year ended June 30, 2025. For the year ended June 30, 2025, the Regional Office of Education No. 12 paid \$4,760 to the THIS Fund.

Further Information on the THIS Fund
