FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

DELAY OF AUDIT

The Regional Office of Education #32 did not provide completed financial statements in the appropriate format by the August 31 deadline.

The Regional Office of Education #32 (ROE) did not provide the financial statements in the appropriate format by the August 31 deadline.

The Regional Office is subject to 105 ILCS 5/2-3.17a which requires the Auditor General's office to cause an audit to be made, as of June 30th of each year, of the financial statements of all accounts, funds, and other moneys in the care, custody or control of the regional superintendent of schools of each educational service region in the State and of each educational service center established in the School Code. The audit is to be conducted in accordance with Generally Accepted Government Auditing Standards (GAGAS).

In accordance with 105 ILCS 5/2-3.17a, the Auditor General has promulgated administrative rules and regulations to govern this process. Those rules, 74 Ill. Adm. Code 420.320 (c) (2), state that for audit purposes, each regional office of education and educational service center shall make available to the Auditor General or his designee all books and records deemed necessary to make and complete the required audits. The records shall be in auditable form by August 15 of the succeeding fiscal year. Financial reports are to be available no later than August 31 in order for the annual audit to be completed by an independent auditor selected by the Auditor General. Annual financial statements are to be prepared on an accrual basis of accounting in accordance with generally accepted accounting principles (GAAP).

In addition, prudent business practices and transparency require timely preparation and completion of financial statements.

According to Regional Office management, they were not aware of the August 31 deadline. (Finding 18-001, pages 13 – 14)

The auditors recommended that the ROE should implement procedures to ensure compliance with 105 ILCS 5/2-3.17a and 74 Ill. Adm. Code 420.320 (c) (2). Annual financial statements should be compiled on an accrual basis of accounting in accordance with GAAP. These financial statements need to be presented to the Auditor General's independent auditors for audit by the August 31 deadline.

ROE Response: *Having the accounting records in an auditable form by August 15th of each year and providing financial statements by August 31st each year on an accrual basis in accordance with GAAP would require many estimates*

for various revenue amounts (for local sources and for state and federal grants) since an availability period of 60 days is being used to recognize revenue. Also, the on-behalf information for the State paid salaries and benefits is not available in time to meet this deadline. For 2018, the THIS OPEB information was not available in time to meet this deadline.

We will work with the CPA firm and Actuarial firm to prepare financial reports to comply with report preparation by August 31, 2019.
